

Look at this **baby Jesus** (MASF384)
and read the text.

This baby Jesus is carved from wood
from the town of Malines in the
Flanders region that is part of Belgium
now.

As you can see, He has no arms, which
may be from the pirate attacks on our
island, in which many of the religious
pieces they stole from the chapels and
churches were damaged.

Imagine what it would be like with
arms, draw them, and by the way
because it's cold, add some clothes.

If you want, ask your parents to take pictures of your work and send it to: serviçoeducativo@masf.pt with your name and age and we'll post it on social media.
